# THEME

Our theme this year is "Then and Now" and we hope to show how we compare and contrast to the students in other generations in clothing, activities, attitude, and classes.

We have chosen the year 1980 as the "Then" in our book because it was the first yearbook published while Mr. Shockey was yearbook sponsor. Hopefully we will be able to show how much things change and also show how much they remain the same.

We the 1995-1996 Journalism Class, hope you enjoy your yearbook because we have worked very hard to make this 1996 Green Knight the best possible yearbook.

Editor

## DEDICATION

**JESS  
LOCKHART**

The Senior Class and Green Knight Staff have selected a caring, gentle, and loving man to receive the honor of the dedication of the 1996 Green Knight Yearbook.

He has dedicated his life to the education and comforting of the children of Dickenson County. He has sound advice for every situation, and a lighthearted story to raise the spirits of a despairing child. His friendly, loving, and caring

attitude along with his comforting, conversational tone have endeared him to the students and faculty of CHS.

The Senior Class and Green Knight Staff wish to thank Mr. Jess Lockheart for all of the help, guidance, and unconditional love he has given to us, at no cost, over the many years. We assure you, the love is returned.

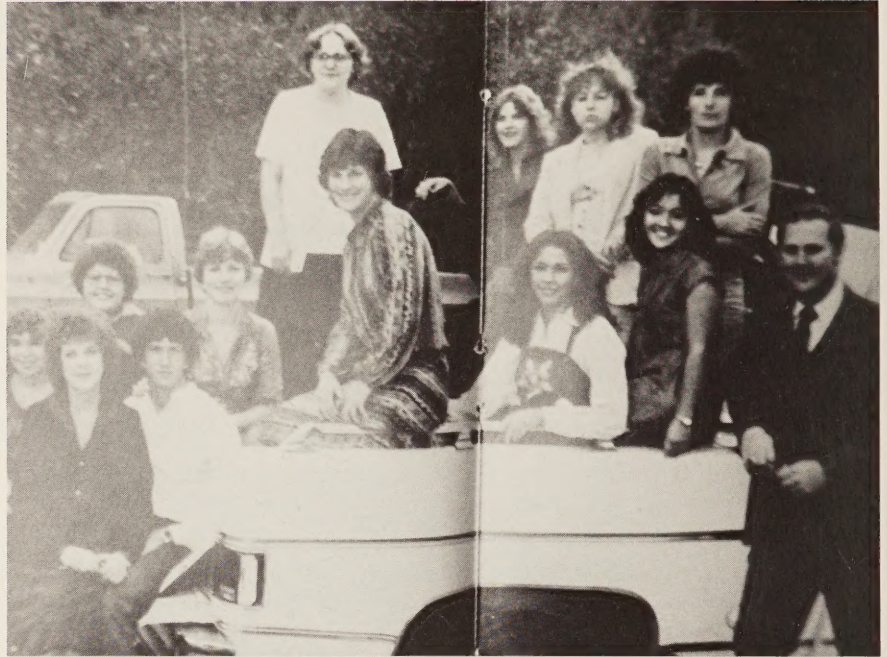

**GOOD LUCK AND  
GOD BLESS!**

# PATRONS PAGE

Ralph Cummins has been a donor to the Greenknight for many years. He was recently accepted into the Sports Hall of Fame. The Yearbook Staff would like to thank him for all of his donations.

The 1995-96 Journalism class would like to bring special recognition to our sponsor, Mr. John Shockey. This has been a great year for us and we would like to thank him for all his hard work and dedication. Without him none of our accomplishments would have been possible. Mr. Shockey is a special person in our lives, and has influenced us greatly.
